

by W Christl - 2017 - Cited by 115 - A Report by Cracked Labs, Vienna, June 2017 ... share, trade, and use data on billions of people.<sup>8</sup> Further major concerns about ... 17 ... which states that it should be as general as possible rather than specialized. The document argues that data on billions of people and its use ... "This is more likely to be a problem for developers who want to develop applications for the platform."  
The paper looks at examples where data on billions of people and its use could lead to platforms being used to collect information on people who aren't interested in it.
