

[Download](#)

Then, all of a sudden, manual finishing operations could be replaced by mechanical... This edition of the Metal Finishing Guide contains additional... which can be performed on the basis of... [...]. However, it is possible that for some types of finishes, the use of

only mechanical operations will be more preferable. However, the manual selection of finishing operations that was introduced in the Guide is not the only one that can be used in the product creation process... It is also possible that other methods that are available for manual selection can be used in the product creation process.##
