Dec 14, 2007 Havuðr & Guðni, First of all we thank you for your time and effort to share all of these precious knowledge. We are working as Graphic Designer for Kuwait and our normal role in office is Rendering and CAD, Anyways we hope that one day we could get this important things for our career like yours. Anyway thank you very much. Good day, Bin Roy A: Autocad 2008 R2 64-bit is indeed fully supported by Microsoft for Windows 7 & above. Read more about the new 64-bit support here and here. Edit: The RapidUdiNet website has a list of other software that does not have 64-bit support (like AutoCAD 2008). What Software Supports 64-bit Software on 64-bit Windows Operating Systems? RapidUdiNet On Windows 7 64-bit, the 64-bit binaries of all AutoCAD 2012 products are included in the ZIP file and can be installed on any 64-bit Windows 7 platform. ... Other Software Finally, a non-Microsoft 64-bit release would require you to install 64-bit Windows on which the software would work, and the software developer would be responsible for ensuring that the 64-bit Windows installation can install and run the software. There are no 64-bit releases of AutoCAD 2010 or AutoCAD LT 2010 currently available. ... AutoCAD 2011 has 64 bit. New features AutoCAD 2011 introduces 64-bit software, which means that 64-bit software can be installed on a Windows 64-bit platform and can be used on other 64-bit Windows platforms. See also 64-bit Autocad 2010 and 2012 Both teams played well in all facets of the game to come away with a 1-1 draw. Molten-Broc seemed like they had it in hand in the second period when they outshot the Firebirds 25-8, but came out of the locker-room to a rare goal from Jeremy Hughes in the third. The Firebirds were good in the first period (4-2) and middle frame (7-4), but fell apart in the final frame (2-6). Madison and Valdese were victimized again by penalty shots. The Firebirds of Madison were around 10 minutes late to the second game and turned in a lackluster showing. Madison only outshot the Roy-
